

Innisfail High School offers a Breakfast Program for all students every day when we are at school.

This program offers all kids the chance for something to eat in the morning before classes start. This consists of toast, fruit, jams, and other items depending on availability. Every student is welcome to help themselves with this breakfast program.

This is largely funded by President's Choice Children's Charity (PCCC)

We are always happy to accept donations for this program if you would like to help support this worthy cause. Please click the Quick Pay Link below and choose if you are a guest or a parent and carry on from there.
