Volume 14 - April 24, 2023

One of our own takes Overall Grand Prize with the Josten's Photo contest!

Congratulations to Kaisa Verboom, Gr. 11, on winning the Overall Grand Prize with the Josten's Photo Contest!! Every year Josten's holds a photo contest through the Yearbook and Kaisa was very busy taking pictures to enter! We were so proud to get notification of her win! Well done, Kaisa!

I.H.S. Student part of Provincial win!

Megan Graham, Gr. 12, was part of the Red Deer Sutter Fund U18AA Chiefs who won the Provincial Championship April 1 & 2. Congratulations!!!

'Leader of Tomorrow Award'

Olivia Bergeron won the "Leaders of Tomorrow Award" at the Town of Innisfail Awards on April 21.

The award is presented to someone who provides outstanding contribution to their community through volunteerism and inspires others to give back to their community. Congratulations Olivia!

Sr. Badminton Team doing great!

The whole team played at the Wild Rose Tournament this Friday and Saturday. Zane and Pascale (bottom pic) won Bronze (shown with Mrs. Link) in Mixed Doubles; Peyton and Haley were undefeated in their Pool (right pic) and Pascale and Ayla (left pic) from Caroline, won Gold in Girls Doubles. Well done team!

REUSABLE CONTAINERS NEEDED!

If you have any reusable containers such as yogurt, margarine, cottage cheese or anything similar, they are desperately needed for the Foods room! Students may then take home their leftover cooking creations!

Thank you!

AHT 1050 / TERM: SUMMER 2023 INTRO TO VETERINARY PROFESSION

July 4 - August 29, 2023 | Asynchronous

Thinking of becoming a veterinarian or interested in working with animals as part of your career? In AHT 1050 students will explore learning and career goals based on strengths, interests, skills and talents.

The Olds College Animal Health Technology Program prepares its graduates to be employed in the animal health industry by providing educational excellence in technical procedures, animal nursing care, and client relations.

Animal Health Technology

EARN COLLEGE CREDITS
IN HIGH SCHOOL

Students will become familiar with selected animal health organizations that adhere to the regulations of veterinary medicine in Alberta. Students are introduced to strategies and techniques for managing self and interacting with others. Students will examine animal welfare and ethical issues. This course provides students with foundational veterinary medical terminology they will use throughout their career. And we will wrap up the course with a brief history of animal welfare and how to apply critical thinking to animal welfare situations.
