Fun with Science

Miss Pereira's Physics 20 class enjoyed learning through Flying Pigs! A much enjoyed project!

Thank you to our Custodians Danny and Robyn! Not only did they decorate the office and staffroom for Christmas, but they brought us a tray of goodies from Nutter's! Thank you so much!!

Miss Pereira's Science 9 group created a human circuit. They all joined hands and touched an "energy stick" to close the circuit and lit up a light and made a buzzer go off.
